ABOUT US

Welcome to Cargo Avenue: Land Transport & Delivery Solutions

At Cargo Avenue, we are proud to bring over five decades of expertise and innovation in logistics to Canada. As a new venture of Shidiak Transport, established in 1977, we combine global experience in trucking, distribution, and supply chain management to deliver reliable, efficient, and customized transportation solutions for businesses in Ottawa and beyond.

Cargo Avenue operates as a proud subsidiary of a freight forwarding company that has been serving the Canadian market for the past three years. Together, both companies benefit from the extensive legacy of our mother company, a global leader in shipping and logistics with offices strategically located in Lebanon, Turkey, and Canada. For over 45 years, our parent company has cultivated a reputation for managing complex supply chains and connecting clients through a robust international network.

MISSION & VISION

With this solid foundation, Cargo Avenue is uniquely equipped to meet the evolving needs of Canadian industries. From short-haul distribution and long-distance freight to end-to-end trucking and warehousing solutions, we provide scalable services tailored to your business requirements.

Our mission is to be your trusted logistics partner, delivering excellence every step of the way. modern solutions to move your business forward.

Our vision is to redefine logistics by setting new standards of excellence, innovation, and sustainability, connecting businesses and communities seamlessly across Canada and beyond.

At Cargo Avenue, we are dedicated to delivering logistics solutions that empower your business to thrive in a dynamic and connected world.
